Describe what connections you have with your community (Examples may include belonging to a local club, group or church, a service provider, or even a long-term customer at your local shops)

Do you have other skills, training or experiences that you would like us to know about?

What help do you need to participate? (This may include things such as mobility needs, vision or hearing assistance, access to transport, child-care needs, other assistance, etc.)

Supporter of your application: (This may include the manager of a Neighbourhood house, a leader of a cultural or religious group you are connected with, a manager or mentor)

NOTE: If you don't know anyone who can support this application, that's not a problem. The Opening Doors Coordinator may contact you to discuss developing local connections for you.

Can you commit to the course requirements? This will include a 3-day opening retreat from Wed 9th to Fri 11th May. Sessions will then occur fortnightly on Thursdays. A graduation ceremony will be held in mid-December. There will also be some occasional out-of-hours activities.

Yes, I can commit to the course requirements:

I am uncertain if I can commit to the course requirements:

As part of Link Health and Community's commitment to community and individual wellbeing, successful applicants for the Opening Doors Leadership Program will be required to undergo an induction process. This will include the completion of a Police Check and a Working With Children Check.

I understand and consent to these requirements:

Note: If you have any concerns about either of the above commitments, please do not hesitate to contact us via the details below.
