

## POSITION DESCRIPTION

### Podiatrist

This position description describes the scope and skills required of the **Podiatrist** at Link Health and Community (Link HC). The position description may be subject to periodical reviews.

<b>POSITION:</b>	Podiatrist
<b>DEPARTMENT:</b>	Health and Wellbeing
<b>REPORTS TO:</b>	Manager, Workforce Wellbeing
<b>DIRECT REPORT ACCOUNTABILITY:</b>	Not applicable

#### **POSITION SUMMARY:**

The principal objective of this position is to provide accessible and high quality podiatry services focussing primarily on adults with capacity to see children also. The podiatrist will provide person centred, reablement and restorative care within a multi-disciplinary team, as described by funding guidelines.

#### **POSITION ACCOUNTABILITY:**

- Supporting clients to participate in their community and promote independence via integrated and coordinated assessment and care planning. This will include provision of podiatry assessment, diagnosis, intervention to support clients to improve or maintain health and wellbeing.
- Apply person-centred care principles to provide service and education in line with individual goals.
- Collaborate with client, carers and relevant service providers to establish/monitor care plans that reflect the client’s goal and facilitates self-management.
- Provide timely follow up for clients, carers, case manager and service providers.
- Provide relevant service and health information to clients, prospective clients, the service system and broader community.
- Ensure service delivery is culturally appropriate and respectful of diverse communities.
- Meet organisational, funding and brokerage targets in relation to service delivery criteria.
- Ensure up to date records according to quality standards and contribute to ensuring safe custody and confidentiality of all records whether in hard copy or electronic format.
- Supervise students and volunteers as required, or as appropriate.
- Communicate with Manager – Health and Wellbeing in respect to role responsibilities and professional expertise in order to assist with program development.
- Work collaboratively with service providers in Link HC teams and in the broader service system to ensure that Link HC provides integrated services.
- Participate in identifying professional development and training needs and attend professional development activities as indicated.

#### **PERFORMANCE MEASURES:**

- Clients are satisfied they receive integrated care that reflects Link HC values.
- Client records are accurate and maintained in line with Link HC health records policies and procedures.
- Funding and service agreement targets are recorded and achieved.
- Quality standards are met and improvements are identified and actioned as appropriate.
- Continued professional development is identified and achieved to sustain quality and contemporary service delivery.
- Positive, proactive participation in work team to promote positive team culture that reflects Link HC values.

#### **ORGANISATIONAL CONTEXT**

Link HC is a multi-sited community health service, providing a comprehensive range of health and welfare services primarily to people in the East and South-East of Melbourne and Eastern Victoria.

Link HC provides quality services in line with the program aims, funding guidelines and the Vision and Values of Link HC.

#### **VISION**

Link Health and Community's vision is healthier people participating in their communities. The underpinning principles in achieving this vision is that Link HC:

- Recognises the health of individuals and the community, is influenced by social and environmental factors as well as individual's access to health services and plans and delivers our services accordingly
- Recognises that client, community and employee engagement in all aspects of our activities are essential for effective governance
- Strives to provide quality services, in a professional, timely manner to clients from culturally and linguistically diverse backgrounds and to clients who are hearing impaired and use sign language as their primary mode of communication
- Link HC is committed to partnering with other organisations to offer integrated health and wellbeing services that are consistent with state-wide health needs and social priorities

#### **VALUES**

Link HC organisational values are:

- We **care** for our community and for the people who use our services
- We **listen** to people who need our services and we advocate for our community
- We provide **accessible**, innovative, and high-quality services and programs
- We **partner** with other organisations to ensure the development and delivery of better services
- We are a **sustainable** organisation, financially, socially and environmentally

## **OCCUPATIONAL HEALTH AND SAFETY**

The position holder has a duty to take reasonable care for the health and safety of themselves and others in accordance with Occupational Health & Safety legislation.

## **QUALITY AND RISK MANAGEMENT**

The position holder has a responsibility to Identify continuous quality improvement opportunities; participate in the development of quality procedures and contribute to internal and external program reviews and audits as required.

The position holder will respond to risk management procedures to minimise any major areas of identified risk and to comply with Link HC OH&S Risk Management Plan.

## **POLICIES AND PROCEDURES**

The position holder will uphold and adhere to Link HC's Code of Conduct and policies and procedures.

## **QUALIFICATIONS AND EXPERIENCE REQUIRED**

### **Essential**

- Relevant tertiary qualifications in Podiatry
- Registration with Australian Health Professionals Regulatory Agency

### **Desirable**

- Demonstrated ability to work well within a multidisciplinary team as well as independently
- Demonstrated client focus in the assessment, treatment and case management of individual clients and groups
- Well-developed group facilitation skills
- Demonstrated excellent interpersonal and communication skills
- Ability to manage own workload and maintain continuity of care for clients
- Knowledge of community health principles and a commitment to providing primary health services in the community
- Understanding of principles of confidentiality, and rights and responsibilities of consumers/clients within a community health context as part of the Privacy Act
- Understanding of the principles of self-management of chronic disease
- Sensitivity to and an understanding of particular needs of clients from CALD backgrounds
- Ability to speak a relevant second language
- Knowledge of and ability to use the TRAK reporting system
- Efficient word processing and computer skills including mobile technology (iPad)

## **Mandatory Requirements**

- Current National police check
- An International police check, if the position holder has worked overseas for a period of 12 months in the last 10 years
- Working with Children check
- Australian Tertiary qualification (as determined) or documentation pertaining to an overseas tertiary qualification stating Australian equivalency
- Evidence of credentialing and registration documents
- Working rights within Australia
- Victorian Driver Licence
- A reliable vehicle
- First Aid Certification inclusive of CPR
- Disclosure of any pre-existing injuries or disease that might prohibit your ability to fulfil the inherent requirements of the role
