

## **Paediatric Psychologist - Part Time**

Link Health and Community (Link HC) supports people in our community by providing a range of health and support services, such as GPs, Dentists, Allied Health and counselling as well as Early Childhood Early Intervention (ECEI) as a Community Partner of the National Disability Insurance Scheme (NDIS). We are located in the Eastern Victoria and South-East suburbs of Melbourne.

Link HC are seeking an experienced Paediatric Psychologist to join our team. You will provide exceptional client care as part of the Community Health Program working in the multi-disciplinary Child, Youth and Families Team.

### **Tasks and Responsibilities:**

In this role you will be responsible for assessing and treating children with emotional and behavioural issues, within the family context and offering services in the following areas:

- Child developmental delays and/or learning difficulties
- Children with difficult behaviours such as aggression and defiance
- Difficult family relationships and conflict
- Children with anxiety and low mood
- Children with social difficulties such as bullying, shy temperament, and poor social skills.
- Children who are adjusting to a transition or significant life event such as a family separation or death in the family

### **Skills and Experience**

- Demonstrated skills and experience in short to medium term child, adolescent and family psychological interventions that work across the client's presentation from comprehensive assessment, treatment and discharge planning
- Experience in practical parenting education and skill building
- Understanding of the application of risk assessment and risk management and the child safe standards
- Intermediate ICT skills and experience using electronic client management systems
- Demonstrated knowledge of principles of confidentiality, client rights and responsibilities and actively following professional requirements under the Privacy Act

### **Qualifications and Registrations:**

- Tertiary qualifications in Psychology
- Professional registration with the Australian Health Practitioner Regulation Agency (AHPRA) and a member of the Australian Psychological Society
- Endorsed area of practice in Educational and Developmental Psychology and/or Clinical Psychology

**Mandatory requirements:**

- Police Check, both National and where applicable International.
- Current Working with Children Check.
- Relevant credentials for the position.
- Professional Association Registration.
- Australian citizenship or permanent residency.

Link HC is a child safe and equal opportunity employer that actively complies with all relevant legislation and guidance.

Applications from Aboriginal and Torres Strait Islander people, people from a culturally diverse background and people with a lived experience of disability are encouraged to apply. Applicants must be eligible to work in Australia.

To apply please submit your CV along with a cover letter outlining your experience to [mhughes@linkhc.org.au](mailto:mhughes@linkhc.org.au).
