

POSITION DESCRIPTION

Dietitian

POSITION:	Dietitian
DEPARTMENT:	Health and Wellbeing
REPORTS TO:	Senior Dietitian
DIRECT REPORTS:	N/A

POSITION:

The Dietitian provides holistic, multidisciplinary, episodic care that is underpinned by Link HC’s Vision and Values. This is achieved by collaborating with a range of internal and external service providers.

The Dietitian is accountable for clinical quality and safety upholding their professional code of ethics, participation in continued professional development, reflective practice and supervision.

Care and services are provided under the Commonwealth Home Support Program, Home and Community Care Program - Young People, Integrated Chronic Disease Program and Community Health Program with the shared aims of promoting wellness and reablement, maintaining independence and quality of life and ultimately preventing or delaying the need for tertiary or residential care.

The person will work across Link HC sites.

POSITION ACCOUNTABILITY:

- Deliver high quality, person-centred Dietetics care and services through individual assessment, intervention, goal-directed care planning and review of clients to improve health and promote independence.
- Deliver health education including group presentations to internal and external clients.
- Liaise with clients, carers, the multidisciplinary team, assessors and service providers regarding referral and further support for clients as required.
- Ensure up to date records according to quality standards and contribute to ensuring safe custody and confidentiality of all records whether in hard copy or electronic format.
- Contribute to continuous quality improvement and clinical quality and safety through engagement with identification, planning, development, implementation and evaluation of services and programs, policies and procedures.
- Provision of professional supervision/clinical support to peers, allied health assistants and undergraduate Nutrition and Dietetics students.
- Effective and safe prioritisation of clinical workload that demonstrates appropriate use of resources in consultation with the Senior Clinician.
- Regular and constructive attendance and participation in team and clinical practice meetings.

PERFORMANCE MEASURES:

- Clients are satisfied they receive integrated care that meets assessment outcomes and client expectations.
- Accountability for clinical practice including client records is demonstrated by compliance with relevant professional code of conduct, professional ethics, understanding of the evidence and engagement in continued professional development.
- Active engagement in quality initiatives and improvements that drive clinical safety and accountability.
- Funding and service agreement targets are achieved and recorded in an accurate and timely manner.
- Meet the Performance Measures set out in the Link HC annual performance review and development plan.
- Demonstrate and uphold organisational values in all interactions with clients, colleagues and stakeholders and contribute to a positive and productive team culture.

ORGANISATIONAL CONTEXT

Link HC is a multi-sited community health service, providing a comprehensive range of health and welfare services primarily to people in the East and South-East of Melbourne and Eastern Victoria.

Link HC provides quality services in line with the program aims, funding guidelines and the Vision and Values of Link HC.

VISION

Link Health and Community's vision is healthier people participating in their communities.

VALUES

Link HC organisational values are:

- We **care** for our community and for the people who use our services
- We **listen** to people who need our services and we advocate for our community
- We provide **accessible**, innovative, and high-quality services and programs
- We **partner** with other organisations to ensure the development and delivery of better services
- We are a **sustainable** organisation, financially, socially and environmentally

OCCUPATIONAL HEALTH AND SAFETY

The position holder has a duty to take reasonable care for the health and safety of themselves and others in accordance with Occupational Health & Safety legislation.

QUALITY AND RISK MANAGEMENT

The position holder has a responsibility to identify continuous quality improvement opportunities; participate in the development of quality procedures and contribute to internal and external program reviews and audits as required.

The position holder will respond to risk management procedures to minimise any major areas of identified risk and to comply with Link HC OH&S Risk Management Plan.

POLICIES AND PROCEDURES

The position holder will uphold and adhere to Link HC's Code of Conduct and policies and procedures.

QUALIFICATIONS AND EXPERIENCE REQUIRED

Essential

- Bachelor of Nutrition and Dietetics (or equivalent)
- Accredited Practising Dietitian and current membership Dietitians Association of Australia (DAA)
- Minimum four years clinical experience, specifically chronic disease management and weight management
- Previous experience coordinating and facilitating group programs
- Demonstrated ability to work autonomously and as a participatory member of a multidisciplinary team
- Highly developed written and verbal communication and interpersonal skills
- Demonstrated competency in the use of electronic health records and Microsoft Office applications

Desirable

- Demonstrated experience in a community setting providing services in a client's home
- Understanding of the principles of Community Health and aims of the Commonwealth Home Support Program
- Previous experience in staff and student supervision
- Demonstrated experience working with My Aged Care and/or National Disability Insurance Scheme

Mandatory Requirements

- Current National police check
- An International police check, if the position holder has worked overseas for a period of 12 months in the last 10 years
- Working with Children check
- Australian Tertiary qualification (as determined) or documentation pertaining to an overseas tertiary qualification stating Australian equivalency
- Registration with a regulatory body or equivalent professional membership (as determined)
- Working rights within Australia

- Current Victorian Driver Licence
- First Aid Certification inclusive of CPR
- Disclosure of any pre-existing injuries or disease that might prohibit your ability to fulfil the inherent requirements of the role

Approved:

Sheree Phillips
General Manager Health and Wellbeing

I acknowledge and agree that the above position description is an accurate reflection of the Dietitian.
