

## Senior Physiotherapist – (full time)

**Link Health and Community (Link HC) supports people in our community by providing a range of health and support services, such as GPs, Dentists, Allied Health and counselling as well as Early Childhood Early Intervention (ECEI) as a Community Partner of the National Disability Insurance Scheme (NDIS). Link HC is located across Inner Eastern Melbourne, Outer Eastern Melbourne, Southern Melbourne, Inner Gippsland and Outer Gippsland areas.**

This position will suit someone who is ready to create a culture that strives to deliver high-quality, compassionate and safe care in order to achieve Link HC's vision, healthy people participating in their community.

As a senior clinician you will work closely with the Health Services Manager to contribute to the planning, implementation, coordination and evaluation of clinical services, to identify gaps and drive service improvement through their knowledge and application of quality improvement and research processes.

The senior clinicians will also supervise, coordinate and manage performance of clinical and support staff in the clinical area, allowing an exciting opportunity to support clinical practice amongst developing clinicians and allied health assistants.

The role will include a clinical caseload delivering services through individual assessment, intervention, goal directed care planning and review of clients to achieve improved health outcomes.

From you we require advanced clinical skills, a strong understanding and commitment to evidence-based practice and a drive to lead a team to deliver best care to consumers. The successful candidate will possess demonstrated leadership skills, the ability to build strong relationships and engage in reflective practice, a passion for high quality care and achieving positive outcomes for the team and consumers.

### **Qualifications/Experience Required**

- Bachelor or equivalent tertiary qualification in relevant discipline
