

# Chinese First Response

## What is Chinese First Response Forum?

- An information session about Link HC's services including alcohol and other substance misuse in Australia
- Talks about your concerns about substance use and mental health
- Provides strategies for individuals and families with teenagers, parents and/or carers who have substance misuse
- **It's confidential**
- **A safe forum for learning and discussion**
- **It's about facts, figures and information**
- **What services are available for those experiencing substance abuse**
- **It gives hope!**

**Tuesday 15 May 2018**  
**10am - 12pm**
